Memo from the Board of Directors:

We thank everyone for their cooperation and assistance in getting through these past times. We are gradually resuming in person meetings as shown on our in person schedule, shown on the back page. We will do our best to conform with current health guidelines in the use of our rooms..

The Board continues to recognize that each meeting is autonomous and responsible for its own implementation of specified guidance from our health authorities. The Directives of Health Authorities must be adhered to by the Board for full, daily operations.

IMPORTANT EVENT

The 2020 Annual General Membership Meeting was conducted as a 'walk in' meeting without congregating due to the COVID-19 Stay at home order. In lieu of formal nominations the three Directors that had completed their terms were reelected for a new term. The vacant position was left to be filled by appointment from the Board in accordance with the ByLaws until the 2021 Members meeting.

Meetings for everyone:

For those who are unable to attend in-person meetings, many of our regular meetings and others in the area are providing Zoom meetings. The Central office, at 'aasacramento.org' has a schedule on their website with information to join those meetings.

We currently have the opportunity to provide for other in person meetings next door in Unit 8 on a month to month basis. We may be having more than 2 meetings at the same time, respect for everyone is encouraged.

New Building Fund:

Due to the inability to have a congregated meeting, future plans were not discussed.. The Fund has a current balance of \$63,997.21. Anyone may donate. All donations are fully tax deductible and may only be used to acquire property for the exclusive use of the ARA.
